ON A MOTION by J. Emery, seconded by K. Hobson, the Board voted (5-0-0) to approve the public hearing minutes of April 7, 2025, as corrected. The first speaker during public comment was incorrectly identified. The correct name and address are Herb Hulbert, 168 Hungary Road, Granby.

2. APPROVAL OF MINUTES FROM APRIL 7, 2025, MEETING

ON A MOTION by J. Emery, seconded by K. Hobson, the Board voted (5-0-0) to approve the meeting minutes of April 7, 2025.

3. STATEMENT OF ACCOUNTS

Kimi Cheng, Director of Finance, reported on the highlights of the March 2025 Statement of Accounts.

- As of 3/31/25, the total tax collection was consistent with prior years at 101% (vs. 102% last year).
- Interest earned in the month of March from the STIF account was approximately \$76,500. As of 4/20/25, the daily rate was 4.42% and the 7-day yield was 4.42%.
- The Town received \$38,462.83 for personal property tax from telecommunications companies.
- The Town received B.E.A.R. Transition Academy tuition of \$77,033.
- As reported by the BOE, Granby's total Excess Cost Grant reimbursement for FY25 is \$579,471 with a final payment of \$72,265 expected in June. The total received from the State will be \$587,815 under budget.
- As of 3/31/25, the total General Fund expenditure was consistent with the last fiscal year at 74% (vs. 76% last year).
- The Public Works Department overtime expense as of 3/31/25 was \$156,774 compared to \$73,211 last year due to damage caused by several rainstorms. Overtime was also incurred for staff to provide supervision and traffic control for the road overlay program as well as coverage for the Celebrate the Valley event at Salmon Brook Park. DPW overtime is expected to be about \$55K over budget at the end of the year assuming there are no emergencies which require overtime in the remaining months of the year.

- The Police Department overtime expense as of 3/31/25 was \$134,914 compared to \$143,117 last year due to the lockdowns at the high school and officer training as well as shift coverage for PTO and injury lost time. The overage in this account is expected to be about the same as last year and will be covered with savings realized from an open position.

Cheri Burke, Superintendent of Schools presented the March 2025 budget expense report.

- Personnel and program account expenditures remain stable and are anticipated to be covered within the appropriated budget. As the end of the fiscal year approaches, funds will be shifted to accommodate purchases and initiatives and clear negative balances.
- Special Education expenses remain stable. Encumbrances are adjusted to reflect anticipated expenditures as a result of student movement, program modifications and staff adjustments. Accounts are monitored closely to identify any shifts due to specific student needs which may have a financial impact on the overall budget.
- The Quality and Diversity Fund remains consistent and is expected to have a positive balance at the end of the year.
- Revenue to the Town for FY25 is expected to decrease by \$36,160 primarily due to the lower percentage for excess cost reimbursement from the State of Connecticut for special education expenses incurred by school districts for the FY25 school year. Granby's final reimbursement for FY25 is \$579,471 with a final payment of \$72,265 expected in June.

The position will be 35 hours a week for 10 weeks and will not include benefits. Upon approval of this funding, GLA and FOGPL will each provide a check for \$2,861.25.

ON A MOTION by J. Emery, seconded by J. Tsaptsinos the Board voted (5-0-0) to approve a budget amendment to increase the Misc. Revenue line item by \$2,289, the Payroll-Temp/PT line item by \$2,113.89, and the FICA & Medicare line item by \$175.11 in the fiscal year 2024-25 adopted General Fund budget for four weeks of the library summer intern position.

The grant does not require any matching funds from the Town.

ON A MOTION by W. Kennedy, seconded by J. Tsaptsinos, the Board voted (5-0-0) to approve a budget amendment to increase the Misc. The Town received a \$15,000 donation from Valley Brook Community Church to add ramps to the bandshell at Salmon Brook Park to improve access to the stage for the annual Live Nativity as well as other events in the park. Town staff believes the amount is sufficient to cover the entire cost of the construction and installation.

ON A MOTION by K. Hobson, seconded by J. Emery, the Board voted (5-0-0) to approve a budget amendment to increase the Donations – General revenue line item and the Donations expense line item in the amount of \$15,000 in the fiscal year 2024-25 adopted P&R Program Event Fund budget to add ramps to the existing bandshell at Salmon Brook Park.

8. CONSIDERATION OF BUDGET AMENDMENT FOR ADDITIONAL APPROPRIATION FROM THE SOLID WASTE FUND FOR TRASH BARRELS, BEAR RESISTANT TRASH BARRELS, BEAR BARREL PARTS, AND RECYCLING FLYER

Director of Public Works Kirk Severance is requesting an appropriation of \$43,529 from the Solid Waste Fund for new trash barrels, replacement parts for barrels, and for the printing and mailing of an informational flyer. The Solid Waste Fund has sufficient funds to cover these additional appropriations, with a balance of \$446,470 as of June 30, 2024.

ON A MOTION by J. Tsaptsinos, seconded by J. Emery, the Board voted (5-0-0) to approve an additional appropriation of \$43,529 from the Solid Waste Sanitation Fund balance to fund the purchase of 200 trash barrels, 75 bear resistant barrels, barrel parts, and recycling flyer.

Re: April 2025 Budget Expense Report
Date: May 16, 2025

Please find attached the April 2025 budget expense report for this fiscal year encompassing transactions through 5/15/2025.

Personnel and Program Accounts

The overall budget remains aligned with projected annual expenditures. As is typical, during the school year both realized and anticipated savings, are identified to support both unplanned needs and yearend initiatives, while maintaining fiscal responsibility. Unspent funds may be returned to the Town for future educational use or deposited into the BOE Non-Lapsing Education Fund, reinforcing our commitment to Granby's public education.

As yearend progresses, fund transfers will increase to support key purchases and initiatives, including covering negative account balances via line-item transfers. Transfer requests requiring Board pre-approval are included at the end of this memo.

Currently, the personnel unallocated line has a balance of approximately \$267,000 due to staffing changes, vacancies, and leaves. These funds are no longer needed for FY 2025 personnel expenses. Additional program savings, particularly in special education, are also expected. Please note that invoices for goods and services received in May and June will continue to be processed through July.

Special Education

As previously mentioned at various times throughout the year, special education expenses are trending well below budget due to a variety of reasons. Such reasons consist of three (3) main contributing factors comprising of certified personnel, tuition and transportation.

- HS Psychologist (certified salary) – this employee resigned during the school year and due to the unique needs of this position, the district was unable to fill this position in FY 2025.
- Outplacement Tuition – throughout the course of the year three (3) students changed placement where they returned to in-district from their initial out-of-district placements. Additionally, there were four (4) students who withdrew from their outplaced program for various reasons (i.e., moved out of Granby, homeschooling, etc.)
- Transportation – there were significant savings this year in transportation due to a renegotiated daily contract rate, as well as the reduction of transportation for outplacements. As students leave outplacements as referenced above, transportation also ceases, which also garners savings. Finally, our special education department has been diligent in creating cost savings by alleviating

solo riders when possible and arranging ride shares. All-in-all, this year the district saved \$490,000 in special education transportation alone.

Please take note this type of surplus in special education is uncommon and can drastically change at what seems like a moment's notice. However, at this point time we do not foresee any major shifts or changes prior to June 30th.

Quality and Diversity Fund (Q&D)

The forecast for the Q&D fund continues to remain consistent and positive. The fund is expected to end the year with a balance of approximately \$200,000.

BOE Reimbursements to the Town

The total reimbursement revenue to the Town for FY 2025 is anticipated to be \$2,327,563, which is \$165,588 less than originally budgeted. Even though the district experienced a large decrease (\$587,815) in the expected special education excess cost grant, tuition reimbursements as a whole increased \$422,227, thereby offsetting the decreased grant revenue. Most monies have been received, with the exception of tuition revenue from Hartford. However, we do fully expect to receive those funds by June 30th.

Transfer Requests

We request the following transfers from other line items with available program balances (e.g., utilities) to cover current supply line items with negative balances. Any supply line items that cannot be covered with other available supply accounts, require transfers from other categories. This type of transfer requires Board pre-approval. The accounts that require such transfers are listed below.

- \$12,000 for custodial and maintenance supplies
- \$60,197 for the purchase of the K-3 reading program and French textbooks

Additionally, as the fiscal year progresses and comes to a close, additional savings will accumulate. Given the substantial number of accounts (over 650), even the slightest amounts in each account can rapidly accumulate. Therefore, we request that additional yearend balances and unallocated funds first be transferred to balance all accounts as needed through June 30th. As FY 2025 comes to a close, the numbers for the board of education budget are highly favorable, where spending was less than the budgeted amount, demonstrating efficiency and effectiveness of current operations.

Therefore, in continued collaboration with the Town Board of Finance and the Board of Selectman, it is suggested to utilize a substantial portion of any remaining general fund monies (not to exceed \$650,000), for BOE small capital projects. Such designated funds, with the amount to be finalized after the closing of the fiscal year on 6/30/25, will be deposited into the BOE small capital fund and thereby requires approval from the Board of Education. This transfer of funds would create an appropriation for the following projects.

\$100,000 – BOE Central Office Roof

\$130,000 – GMHS Main Gym Bleachers

\$420,000 – Safety and Security*

\$650,000 – Total

*Please note, this amount could fluctuate depending upon final yearend expenses, as well as Board approval of any non-lapsing fund deposits. Any amount deposited in the small capital fund for the purpose of safety and security will be coupled with the current FY25 appropriated amount of \$439,603.

TOWN OF GRANBY

MEMORANDUM

DATE: May 21, 2025

TO: The Granby Board of Finance
FROM: Kimi Cheng, Director of Finance
REGARDING: **April 2025 Budget Operations Report**

Highlights for Revenues:

As of 4/30/25, the total tax collection was consistent with the prior years at 102% (vs. 102% last year).

As of 5/20/25, the daily rate for STIF was 4.38%, or a 7-day yield was 4.38%. In April, interest earned from the STIF account was approximately \$74.5K.

Received \$2,607,738 for Education Cost Sharing grant as the final payment from the State, which resulted in \$31,418 under the budget, an unfavorable condition.

Received information from Nickie that the final payment from the State for the Excess Cost grant in June will be \$72,265 with a total excess cost grant of \$579,471 for FY25, which will be \$587,815 under budget, an unfavorable condition.

Highlights for Expenditures:

As of 4/30/25, the total general fund expenditure was consistent with the last fiscal year at 79% (vs. 81% last year).

The Public Works Department's overtime expense as of April 30, 2025, was \$162,403.32 (vs. \$77,022.39 last year) due to many rainstorms that caused washouts and fallen trees in August. Staff had to work later to accommodate needs on the road overlay program with traffic control and supervision and for coverage at the Celebrate the Valley event. We had no snow until January last year, when we started the snow season in December of this year. The February OT of \$80K was \$50K more than last February and March OT of \$31K was \$28K more than last March. Moreover, additional responsibilities were assigned to Supervisors and Director for the re-organization in the DPW. As a result, we are estimated to be around \$57K over the DPW OT budget of \$125,145 if no other emergency occurs that require OT hours from DPW in the remaining months.

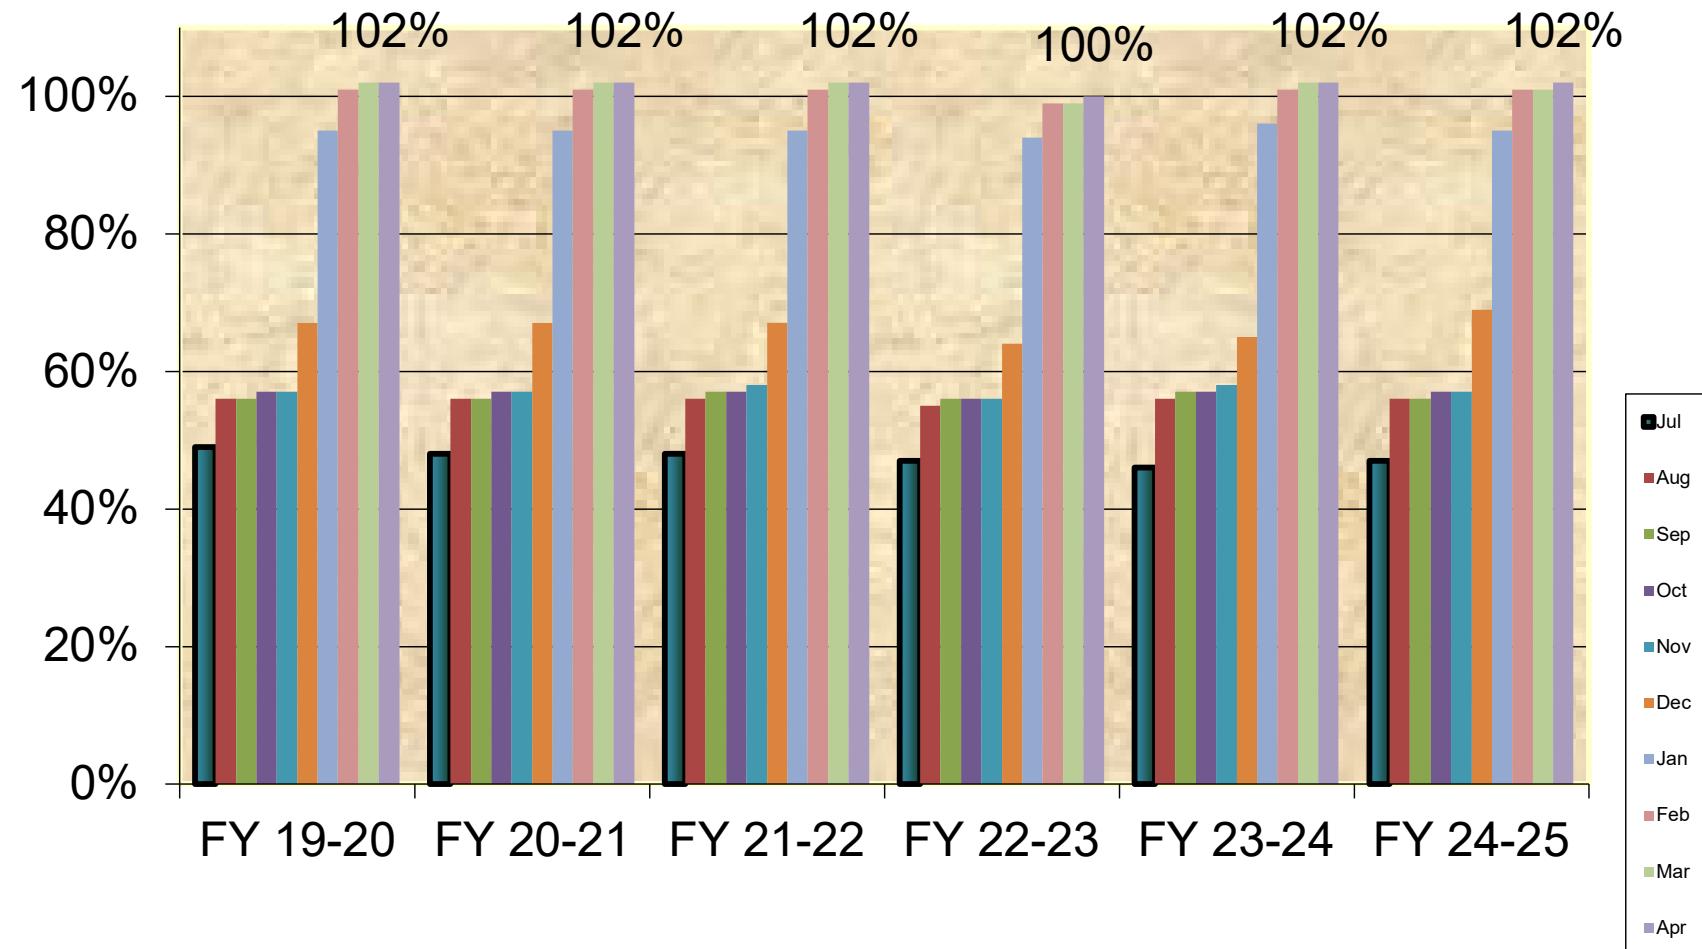

The Police Department's overtime expense as of April 30, 2025, was \$145,550.18 (vs. \$170,925.44 last year) due to the high school lockdowns, rifle training, specific training for officers' recertification, school traffic assistance, community policing, and shift vacancy coverage due to PTO and injury lost time. We are estimated to have a similar overtime overage as the last fiscal year, but we should have enough funds from the other department unfilled position to cover this overage. Note that these OT numbers exclude holiday pay, special pay, premium pay, and holiday premium pay.

Note that many departments have deficits due to the raises for the FY25 salaries/wages were budgeted in the contingency department when the union contracts were still in negotiations last March.

MEMORANDUM

DATE: May 21, 2025

TO: The Granby Board of Finance

FROM: Kimi Cheng, Director of Finance

REGARDING: **Consideration of Budget Amendment for CT Fair Plan Grant**

Background

In February 2025, the Fire Marshal's office submitted a grant fund application to the Connecticut Fair Plan Anti-Arson Committee to request the purchase of an Olympus waterproof digital camera for the fire investigation. In March 2025, the grant application was approved by the committee. In April 2025, a check in the amount of \$500 was received and recorded in the general fund.

Next Steps

Since the grant will increase revenue and expenditure line items in the General Fund, which was not budgeted in the FY25 adopted budget, a budget amendment is required according to the Town Charter.

At its May 19, 2025 meeting, the Board of Selectmen commented favorably upon this request. Pursuant to section 10-6(e) of the Granby Town Charter, I am forwarding the request to you for comment.

PROPOSED MOTION:

I move that the Board of Finance approves a budget amendment to increase Misc. Revenue and Grant Expense line items by \$500 in the fiscal year 2024-25 adopted general fund budget for the purchase of a waterproof camera.

MEMORANDUM

DATE: May 21, 2025

TO: The Granby Board of Finance

FROM: Kimi Cheng, Director of Finance

REGARDING: **Consideration of Transfer of Funds from BOE General Fund to Capital Equipment/Improvement Fund**

Background

The Board of Education is expecting approximately \$650,000 unexpended surplus from its general fund budget due to a \$250K saving on the transportation contract that was successfully renegotiated, a few special education students that were able to take back within the district, and a decrease in the out-of-district students because they moved out of the town.

Recognizing the funding need for the Board of Education capital projects, the Board of Education recommends transferring the BOE general fund surplus to the Capital Equipment/Improvement Fund to support the following projects:

Not to exceed \$100,000 for the BOE Central Office Building Roof Replacement
Not to exceed \$130,000 for the Granby Memorial High School Gymnasium Retractable Bleachers Replacement project
Not to exceed \$420,000 for the BOE Safety and Security project

Note that the actual transfer amount will be determined and finalized after the closing of FY25.

The Board of Selectmen will commend on this transfer at its first June board meeting.

PROPOSED MOTION:

I move that the Board of Finance authorizes a transfer of funds in the amount not to exceed \$650,000 from the Board of Education line item from the General Fund to the Building Maintenance and Improvement line item in the Capital Equipment/Improvement Fund, which is subject to the Board of Selectmen's approval on its June 2nd, 2025 meeting.
