

# Keep an Eye on the Weather

- Rain showers are predicted for the Memorial Day Parade on Monday, May 27.
- **We will continue to monitor the weather and a final decision will be posted on [Granby-ct.gov](http://Granby-ct.gov) by 8 a.m. on Monday.**
- The Parade will march unless
  - Lightning is within a 15-mile radius
  - Thunderstorms or heavy rain is likely
- Light rain or intermittent showers will NOT cancel the Parade
- Individual units should determine their own participation based on safety of their group and protection of vulnerable equipment
